

Outcome of the Shire Council Meeting motion from Tues 13 Jun (to Ban Single Use Plastic Bags). The motion, as it was presented by Cr. Trish Cook at last night's meeting was not passed, but is also NOT OVER! A new motion was formulated and the serious conversation has now begun. So start talking about it with your family, your friends, in your groups & especially important: with local businesses in the Shire.

Here is the amended motion that was made .. see more
